SUBJECT GROUP 1500-1599 TRAINING AND EDUCATION

SUBGROUP 1560 - VOLUNTARY EDUCATION

1560.1 Navy College Program. The Navy College Program provides voluntary off-duty educational opportunities to Navy personnel that lead to academic achievement, training readiness, career advancement and improved quality of life. Through the Navy College Program, Naval personnel may improve their skills in reading, writing, and arithmetic; complete requirements for a high school diploma; or earn an undergraduate or graduate degree. The Navy College Program also provides tuition assistance. Additional information is available at www.navycollege.navy.mil. Five Navy College Offices are located in the Hampton Roads area. They are:
